

# M10TEK + SAP Sales Cloud

**Smarter Selling. Stronger Relationships. Faster Results.**

At M10TEK, we believe the modern sales organization needs more than a CRM. You need intelligence, integration, and insight to drive results. That's where SAP Sales Cloud — and our expertise — come in. We help businesses reinvent the way they sell, from opportunity creation to closed deals, by implementing and optimizing SAP Sales Cloud. Our solutions drive adoption, increase visibility, and connect sales teams with the right data at the right time.

## Why M10TEK for SAP Sales Cloud?

- Over 18 years of SAP consulting experience, including SAP CX and CRM transformations
- Dedicated Sales Cloud consultants with functional and technical knowledge
- Trusted by SAP to deliver white-labeled projects in complex sales environments
- Strong integration with SAP S/4HANA, ERP, CPQ, and third-party systems
- Scalable delivery model with rapid implementation options

## Key Capabilities Delivered

- Lead and Opportunity Management — streamline pipeline, improve conversion rates
- AI-Powered Forecasting — accurate, real-time sales predictions
- Sales Performance Management — goals, territories, and incentive tracking
- CPQ Integration — fast, accurate quotes and pricing automation
- Mobile CRM — offline access, GPS features, and on-the-go productivity
- Customer 360° — unified profiles, history, and contextual insights

## Complimentary CRM Assessment

Get a no-charge discovery assessment to evaluate your CRM needs, identify gaps, and build a roadmap for your future-state sales operations. Whether you're just beginning your SAP Sales Cloud journey or looking to optimize, M10TEK is here to support you.

## Let's Modernize Your Sales Approach

Is your sales organization ready for what's next? Let M10TEK help you unlock the full value of SAP Sales Cloud. From implementation and adoption to optimization and integration — we bring the experience that delivers results.
